

BedMate 15

Model: BM15AP2

MEET THE BEDMATE 15

Powered by the Android OS, the BedMate 15 offers unmatched performance and functionality. Similar to the RoomMate, this device has a fully-integrated hardware and software solution to **maximize clinical efficiency, and ensures patients engagement and satisfaction.**

Easily-mounted to swing-arm mechanisms for patient convenience, the Bedmate 15 **features a fluid, multi-touch interface with HD resolution.** The device's infection control design makes it safe, durable and easy to clean.

DirecTV and Dish Integration

Built-in Wifi, Bluetooth and Ethernet

Easily Replaceable Earphone Jack

Low Voltage Power Designed

Developed and Manufactured by HCI

HCI MediaCare System Compatible

BedMate 15

Model: BM15AP2

HIGHLIGHTS

- ▶ ATSC, NTSC, and Clear QAM tuning system
- ▶ Sleep timer
- ▶ Real-time battery-backed clock
- ▶ Closed captioning services
- ▶ 3 USB ports
- ▶ System reset button
- ▶ Infection Control Design

PICTURE QUALITY

- ▶ 1920x1080 HD
- ▶ 16.7 Million Colors
- ▶ Wide Viewing Angle

CAPACITIVE TOUCH SCREEN

- ▶ Touch Screen Control
- ▶ Multitouch Interface
- ▶ Halo that Provides Ease of Use & Protection

SPECS

PRODUCT SPECS

- ▶ Model Number: BM15AP2
- ▶ Color: Gray
- ▶ Dimensions (w/ Halo): 17.25" x 10.5" x 2.5"
- ▶ Weight: 8lbs
- ▶ Shipping Weight: 15lbs
- ▶ VESA Pattern: 75mm x 75mm

VIDEO ENHANCEMENTS

- ▶ Screen Size: 13.5" x 7.6", 15.375" Diagonal
- ▶ Display Type: LCD with LED Backlight
- ▶ Display Resolution: 1920x1080 (native)
- ▶ Color Depth: 16.7 Million Colors
- ▶ Aspect Ratio: 16:9
- ▶ Luminance: 220 cd/m2
- ▶ Contrast Ratio: 500:1
- ▶ Viewing Angle: 178/178
- ▶ Response Time: 8ms
